GO.OSU.EDU/CE-2026-CORAA

COST: \$0

TOTAL CE CLOCK HOURS: 1.5 hours (ACE & AICP CM)

Continuing Education Approvals

This training is approved for 1.5 continuing education clock hours for counselors, marriage and family therapists and social workers in the state of Ohio.

Social workers completing this training will receive 1.5 general continuing education clock hours under ACE.

This event is approved for 1.5 AICP CM.

Description

The Central Ohio Regional Assessment on Aging (CORAA) is the only random sample population survey of adults aged 50 years and older living in the city of Columbus, and the following counties: Delaware, Fairfield, Fayette,

Franklin, Licking, Madison, Pickaway, and Union focused on issues that impact aging in the region. Completed in collaboration with the Central Ohio Area Agency on Aging (COAAA) and the Franklin County Office on Aging (FCOA), the 2026 CORAA covers a wide array of topics that impact the lives of those aging in the region, including community safety, housing, scams, food security, financial security, communication, service utilization and awareness, physical health, substance use, mental health, social connection, caregiving, emergency preparedness, transportation, internet usage and employment. Survey findings will be released through a webinar, debuting key findings and the 2026 CORAA Data Dashboard.

The dashboard will be publicly available online for individuals and organizations to use for program planning, policy advocacy, research and grant writing. The survey results and the dashboard will be a critical resource for local leaders and elected officials across Central Ohio. Attendees will be welcomed by **FCOA Director Chanda Wingo** and **COAAA Director Katie White**. Key speakers will be AFIC Director of Research, **Holly-Dabelko-Schoeny**, PhD and AFIC Director, **Marisa Sheldon**, MSW, LISW-S.

Additional Continuing Education

Learning Objectives

After completing this training, participants will be able to:

1. **Recognize** the Age-Friendly Communities framework as defined by the World Health Organization and AARP Livable Communities.
2. **Interpret** the 2026 Central Ohio Regional Assessment on Aging background, tool and findings.
3. **Utilize** the 2026 Central Ohio Regional Assessment on Aging Dashboard for planning, program development and grant writing.

Webinar Agenda

- Welcome
- Brief remarks from CORAA Partners
- Background on Age-Friendly Columbus and Franklin County and the CORAA
- Overview of 2026 CORAA, survey tool development, data collection and sampling
- Overview of key findings from survey
- CORAA Dashboard debut and tutorial
- Closing remarks

Webinar Speakers

Dr. Holly Dabelko-Schoeny, MSW, PhD, FGSA, is a community-engaged social work scholar and educator committed to improving the lives of older adults and family caregivers through community-based interventions identified and developed with older persons, practitioners, students, and other faculty. She is the director of research for the Age-Friendly Innovation Center and strives to improve the service, social and built environments that support the inclusion of older adults.

Marisa Sheldon, MSW, LISW-S, director of the Age-Friendly Innovation Center and Age-Friendly Columbus and Franklin County, bridges her background as a clinical social worker with her knowledge of systems beyond the aging network, and her passion for experiential learning.

Questions?

Contact information, accessibility requests and questions regarding webinar can be sent to agefriendly@osu.edu.

Continuing education questions can be sent to cswce@osu.edu. Policies can be found on the [CE Website](#).

Completion Requirements

- Attendance is tracked by Zoom, and participants are required to stay logged in for the entire training to receive successful completion. Participants will not be eligible for partial credit and must attend the entire training. Late arrival or early log off for any reason will impact participants' ability to receive credit.
- Completion of a training evaluation that will include an ungraded post test at the conclusion of the training using the provided evaluation link.
- CE Certificates will be emailed to participants who meet training requirements and those who submit active and eligible license numbers for the Ohio CSWMFT Board and/or the Ohio CDP Board will be reported to CE Broker within 14 business days of the training.

The Ohio State University College of Social Work provides approvals for continuing education for counselors, social workers, and marriage and family therapists that are accepted by the State of Ohio Counselor, Social Work, and Marriage and Family Therapist (CSWMFT) Board.

The Ohio State University College of Social Work has been approved by the Ohio Chemical Dependency Professionals (CDP) Board as a provider of Continuing Education, approval number: 50-24068.
